

JOB SMART

Financial Fitness

Have you ever wondered where your money goes and how you can get the most out of it?

This program has been developed specifically to assist Workforce Australia customers to understand and manage their personal finances.

PROGRAM OVERVIEW

1. MY MONEY PLAN WORKSHOP

Session 1: My Money Plan Introduction

- Developing Good Habits – the Money Diary
- The Ideal Budget

Session 2: Good Spending Habits

- Good Habits not Fear

Session 3: Saving Tips

- Pay yourself first, set SMART goals and celebrate Milestones

Session 4: Where to find Financial Support Services

2. PREPARE FOR WORK READINESS

Get prepared for the workforce! This unit covers topics such as deciding your own career goals, identify the skills and knowledge you already have and putting together a personal learning plan.

Completing FSKLRG003 Use short and simple strategies for career planning can help you to plan for work and learning, work alongside a mentor and learn skills to complete workplace activities to achieve greater success at work.
