Units

You are required to complete 1 unit as per the standard course outline below.

SITHFAB021	Provide responsible service of alcohol
------------	--

Do you need to update your RSA certificate or obtain a RSA certificate for work in the Hospitality industry?

Students learn more and retain more information when they learn face-to-face. In this training, you will:

1. Learn how to check ID's & identify fake ID's
2. Learn effective and professional strategies to refuse service of alcohol, and entry to an establishment, if required
3. You will be taught by a trainer with over 10 years of industry experience
4. Theory and practical simulations are included with online assessments
5. Training can be customized for your team and additional units can be packaged
6. All students who complete the unit will receive a statement of attainment for SITHFAB021
